

**INVITATION FOR THE SPONSORSHIP OF 5<sup>th</sup> NATIONAL INTERNSHIP CHALLENGE -  
"Empowering Students as Tourism Entrepreneur" (Oct 8-10), IN KOTA KINABALU**

We are pleased to inform you that this year's 5<sup>th</sup> National Internship Challenge (NIC) will be held in Kota Kinabalu, Sabah in collaboration with Universiti Malaysia Sabah (UMS) and with the support from Sabah Tourism Board. We have achieved great success in organizing this annual event during the past four years, and the number of participants is growing.

A total of 100 students from various universities and colleges nationwide will compete in the national-level competition. The theme of this year's NIC is "**Empowering Students as Tourism Entrepreneur**," aimed at promoting and encouraging students to become entrepreneurs in Tourism Business upon their graduation. We believe that this programme will also encourage more young people to visit Sabah.

The National Internship Challenge an annual competition that encourages more marketable graduates through experiential learning is one of the 21 **JMEC** projects organized by **Jobmarket Malaysia**. It provides opportunity to students to take an approach to corporate lifestyle and experience how it is like to be working executives. Students will be able to establish networks with Corporate Executives, and get to understand the industries' expectations on them.

As Jobmarket Malaysia was established based on corporate social responsibility, we would appreciate all the help we can get from all parties. We therefore like to invite you company to participate in this programme as a sponsor for the event.

We are open to any suggestion from your side to ensure the success of the coming event. We believe there are many synergies which we can foster with your company as this event will bring benefit to all participating partners.

We would like to thank you for your support and look forward to your favorable reply and participation

Thank you in advance.
